

EXTRA DISCOVERIES

JUMP DRIVE: Once per Move Activation, Ships with the Jump Drive may Move to any adjacent Sector, regardless of Wormholes. The Jump Drive may be combined with other Drives or it may be the only Drive on a Ship. Jumping may be combined with normal Drive movement at any time (before, between, or after) if Ships have Drives in addition to the Jump Drive.

MORPH SHIELD: Remove one Damage Cube from each Ship with this Ship Part after each Engagement Round.

ARTIFACT CODEX: At the end of the game, gain 1 VP for each Artifact you Control.

ANCIENT MIGHT: At the end of the game, gain 1 VP for each 3 VP you have in Reputation Tile value.

+3 MONEY +3 GRAY: Gain 3 Money  plus 3 additional Resources of the same type of your choosing (3 Materials , 3 Science , or 3 Money ).

JUMP DRIVE MOVEMENT EXAMPLE

Red's Cruiser is equipped with the **JUMP DRIVE** and one **FUSION DRIVE**. It can thus Move two Sectors and make one Jump with each Move Activation. Red has 2 Move Activations per Move Action. They use both Move Activations to Move their Cruiser. For the first Move Activation, they Move two Sectors **1** & **2** and then Jump **3**. For the second Move Activation, they Move one Sector **4**, Jump **5**, and Move one more Sector **6**.
